

New Wraparound Care

at West Walton Primary Schools

Launching Summer Term 2026

Dear Parents and Carers,

We are delighted to share some exciting news with you.

Premier Education has been chosen to take over the running of the school's Wraparound Care (WAC) provision for children at West Walton Primary School. We are incredibly excited about this new partnership and are very much looking forward to working closely with the school and its families.

We are currently in the final stages of completing our Ofsted registration and will be able to share more detailed information with you all in the coming weeks. Our aim is to have a full takeover of the Wraparound Care provision in place ready for the Summer term.

We will be sharing more information about the Wraparound Care takeover very soon, including booking details and timings. Thank you for your support, and we look forward to getting to know the children and families of West Walton Primary School.

We understand that you may have lots of questions at this stage, and we really appreciate your patience while we finalise the details. We look forward to sharing our Parent Handbook with you very soon, which will include everything you need to know about the provision. We are excited to meet the children and families of West Walton Primary School and to become part of the wider school community. Thank you for your patience and continued support – we look forward to getting started together.
